Message from the President

by Linda Winslow - Class of 1969

Hello community,

This is the year to celebrate our students. They are amazing humans, and it is our goal to touch every one of them, at least once, with grants, scholarships and 1st to Finish accounts. We are supported by our community through donations to current scholarship and grant funds as well as people/families opening funds for scholarships and grants. The photos tell the stories of some of the opportunities that we were present at, funding items for grants, awarding scholarships to help graduating seniors, opening 1st to Finish accounts for the first graders. The foundation email is www.mapseducationfoundation@gmail.com and we are happy to share the way we provide unique and meaningful opportunities for the students.
