Message from the President

by Linda Winslow - Class of 1969

Dear Friends,

The Education Foundation is thankful for many things this year that would not be possible without the support of each of you.

Including:

Many people who have contributed to funds that provide scholarships and grants for the students of Marquette Public Schools.

The families and friends who have started funds this past year; the Class of 2020 in Honor of Hailey Van Abel, and the family of Ben Brow.

The opportunity to support a CSA (Children's Savings Account) program for all our students as they start First Grade, now in its third year.

The community we live in that supports the students by supporting our fundraisers, even though they looked different this past year.

Our local Scholarship program that went from live to virtual the past two years, and to the partners that provide scholarships to the students, including the local clubs and organizations.

As President I am thankful for the Foundation Board of Directors, as I know that we as a foundation would not be able to do all we do without the support and ideas of these individuals.

Thankful, a small word with a huge impact.
